ABSTRACT

Policies and Programs for Agriculture - Atlantic Provinces

This is one of a series of handbooks compiled by Agriculture Canada to provide policy makers in government, farm organizations and universities with essential information about government programs of technical and financial assistance to the farming community.

This handbook, containing information about policies and programs of the Atlantic Provinces summarizes the purpose of each program, the assistance or service provided, who is eligible to receive it, and the agency responsible for its administration. Other handbooks in the series summarize policies and programs in the Federal Government the Western Provinces, Ontario and Quebec. A related series covers the legislation pertinent to agriculture for the ten provinces and the federal government.

Dr. J. A. Claffey
Director
Data and Policy Development Division
Agriculture Canada
Ottawa, Ontario
K1A 0S5

FOREWORD

This publication is one of a series compiled by Agriculture Canada to make available essential information about federal and provincial government policies and programs affecting agriculture. A closely related series covers the legislation pertinent to agriculture of each province and the federal government.

To enable decision-makers in government departments and agencies, universities and farm organizations to retrieve this information in any desired combination, all provincial and federal programs have been placed on computer by Agriculture Canada. A form for requesting such information is included at the back of this publication.

This material was prepared by A.R. (Jerry) Jones and G. Nickerson of the Economics Branch of Agriculture Canada. It was first published in 1975 in the "Canadex" series. To meet new and increased demands, it has been revised and updated in the present form.

The Economics Branch greatly appreciates the co-operation and assistance of the departments of agriculture in the Atlantic Provinces.

Dr. W.V. Candler
Director
Farm and Rural Development Division
Economics Branch

POLICIES AND PROGRAMS FOR AGRICULTURE - ATLANTIC PROVINCES

General Table of Contents

Programs arranged in the following order of general subject matter.
See next page for listing by number and title.

	PROGRAM NUMBER
NEWFOUNDLAND	
Field Crops, Horticulture, Soils and Engineering	NFLD.01
Livestock	NFLD.15
Pests and Diseases	NFLD.31
Agricultural Economics and Agrelature	NFLD.36
 PRINCE EDWARD ISLAND	
Livestock	P.01
Field Crops and Horticulture	P.24
Soils and Engineering	P.31
Agricultural Economics, Agrelature and Forestry	P.37
 NOVA SCOTIA	
Field Crops, Horticulture and Bees	N.S.01
Livestock	N.S.09
Soils and Engineering	N.S.24
Agricultural Economics	N.S.32
 NEW BRUNSWICK	
Field Crops, Horticulture and Forestry	N.B.01
Soils and Engineering	N.B.15
Agricultural Economics and Agrelature	N.B.26
Livestock, Bees and Livestock Diseases	N.B.40

NEWFOUNDLAND POLICIES AND PROGRAMS FOR AGRICULTURE

Contents

Programs Listed Numerically

FIELD CROPS, HORTICULTURE, SOILS AND ENGINEERING

NFLD.01	Crop Insurance
NFLD.02	Regional Pastures
NFLD.03	Community Pastures and Maintenance of Pasture Lands
NFLD.04	Blueberry Development
NFLD.05	Grants for Farm Vegetable Storage
NFLD.06	Potato Seed Farm
NFLD.07	Demonstration Equipment
NFLD.08	Soil Surveys
NFLD.09	Land Fertility Scheme
NFLD.10	Subsidized Land Clearing
NFLD.11	Farm Access Roads and Flood Control
NFLD.12	Building
NFLD.13	Equipment Bank
NFLD.14	Maintenance of Equipment

LIVESTOCK

NFLD.15	Dairy Herd Analysis Service
NFLD.16	Artificial Insemination of Cattle in Newfoundland
NFLD.17	Assistance on Purchase of Purebred Dairy Sires
NFLD.18	Heifer Bonus Policy
NFLD.19	Calf Identification Program
NFLD.20	Assistance on Purchase of Beef Sires
NFLD.21	Sheep Breeding Station
NFLD.22	Sheep Insurance Program
NFLD.23	Dog Act
NFLD.24	Sheep Fair Policy
NFLD.25	Sheep Foundation Stock
NFLD.26	Ram Bonus Policy
NFLD.27	Ewe Grading Policy
NFLD.28	Swine Breeding Stations
NFLD.29	Swine Production Policy
NFLD.30	Weanling Pig Production Incentive Policy

PESTS AND DISEASES

NFLD.31	Pesticides Laboratory
NFLD.32	Animal Health - Veterinary Service
NFLD.33	Laboratory Equipment, Supplies, Facilities and Services
NFLD.34	Disease Control
NFLD.35	Antibiotics and Drugs

AGRICULTURAL ECONOMICS AND AGRELATURE

NFLD.36	Manpower and Related Research
NFLD.37	Farm Development Loan Board
NFLD.38	Capital Assistance Program (ARDA Agriculture Program)
NFLD.39	Product and Market Development
NFLD.40	ARDA Agreement

REQUEST FOR INFORMATION ON POLICIES AND PROGRAMS

Note: This service is available only to decision-making heads in government departments, universities and agricultural organizations.

The information in these handbooks, about both provincial and federal programs, is available on computer and may be requested in any order or combination. It is possible, for example, to retrieve all existing programs on Dairy Herd Improvement or Farm Business Management, or to retrieve all of one province's programs concerning one area, such as soil and land development.

Please use this form to request what you need. If you know the code numbers of the programs, so much the better. Otherwise, you can ask for the programs by province plus title or subject. If you want all programs in a category, list the category number - for example, 400. For specific programs within a category, across several provinces, list the category number and the provincial program number. (The first letters, B,O,N, etc, indicate the province concerned)

Please mail this sheet to Agriculture Canada, Economics Branch, Carling Building, Ottawa K1A 0C5 -- attention G.S. Henry

Encourage livestock breeders to exhibit outside the Province and thus advertise and encourage sales of breeding stock	Livestock Breeders	Assistance on breeding stock only, applicable to the Royal Winter Fair plus one other out-of-province exhibition at \$8/head for cattle and \$3/head for sheep and swine freight and entry fees paid plus an additional allowance of \$25/head for cattle and \$7/head for sheep and swine	Veterinary and Livestock Division P.E.I. D.A.F. (902) 892-5465
P.04 MEAT INSPECTION			
Through inspection services, to assure consumers that only disease-free, uncontaminated and wholesome meats be made available from local slaughtering establishments	All licensed slaughtering houses	Assistance towards veterinary inspection fees based on the call plus \$1.25/carcaass	Veterinary Services Production Services Branch P.E.I. D.A.F. (902) 892-5465
P.05 F.F.D.P. AND N.F.P. - ASSISTANCE FOR THE PURCHASE OF CATTLE BREEDING STOCK			
Assist dairy and beef producers in establishing or improving their herd base by subsidizing the purchase of breeding stock	Bona fide P.E.I. farmers grossing at least \$4,000 from their farm operations	Offers financial assistance in form of forgivable grants based on acceptable performance and conditional upon development and implementation of a farm plan	Extension Services, Branch P.E.I. D.A.F. (902) 892-4101

Policy Program/ Objective	Eligibility	Assistance	Contact
		Grant to 50% of approved development expenditure to maximum individual grant of \$25,000 N.F.P. and \$15,000 F.F.D.P.	
		Technical support and skill development assistance are also offered in establishing an approved system of management	
P.06 PURCHASE ASSISTANCE ON FEMALE CATTLE BREEDING STOCK IMPORTED TO PROVINCE			
Improve quality and number of breeding cattle by assisting cattle breeders in purchasing breeding females	Cattle Breeders	Grants of \$100/head for purebred registered beef females sired by R.O.P. tested bulls and up to \$150/head for dairy females	Veterinary and Livestock Division P.E.I. D.A.F. (902) 892-5465
P.07 VETERINARY SERVICE AGREEMENT			
Provide livestock producers with a well-staffed, competent and properly equipped veterinary service	Livestock producers and participating veterinarians	Veterinarians engaged in program are subsidized at rate of \$1,000 per annum with annual increment of \$500 for each year up to 5 years and maximum subsidy of \$3,500	Program Advisory Committee P.E.I. D.A.F. (902) 892-4101

Policy Program/ Objective	Eligibility	Assistance	Contact
		Other costs of farm calls, in-clinic services, travel expense, pension plan, radio equipment, etc. are shared	
		Farmers are charged \$8 to \$12 for calls	
410 DAIRY CATTLE			
P.08 F.F.D.P. AND N.F.P. - ASSISTANCE FOR BULK TANK AND MILK HOUSE			
Assist dairy producers in getting established in the bulk handling of milk	Bona fide P.E.I. farmers grossing, or expecting to gross, at least \$4,000 from their farm operations	Offers financial assistance in form of forgivable grants based on acceptable performance and conditional upon development and implementation of a farm plan	Extension Services Branch P.E.I. D.A.F. (902) 892-4101
		Grant to 50% of approved development expenditure to maximum individual grant of \$25,000 N.F.P. and \$15,000 F.F.D.P. for construction of milk houses, purchase of new or used bulk tanks, or both	
		Technical support and skill development assistance are also offered	

Policy Program/ Objective	Eligibility	Assistance	Contact
P.09 HERD HEALTH (DAIRY CATTLE) MASTITIS CONTROL			
Reduce economic loss caused by mastitis in dairy herds through development operation of control programs under veterinarian supervision	Producer-owned and managed herds that comply with regulations, and are recommended by authorized, practicing veterinarians	The Department pays 50% of the veterinarian's fee for clinical inspections (excluding drugs and materials) and 50% of the fee for one dairy equipment inspection per year In addition, it provides necessary forms and services	Veterinary and Livestock Division P.E.I. D.A.F. (902) 892-5465
420 BEEF CATTLE			
P.10 LIVESTOCK FERTILITY			
Encourage top efficiency in reproduction in all livestock species	Livestock producers recommended by a veterinary practitioner	Financial assistance in terms of 50% of the cost of all sterility, fertility and pregnancy diagnosis	Veterinary and Livestock Division P.E.I. D.A.F. (902) 892-5465
P.11 BEEF BREEDERS BULL BONUS			
Improve quality of beef production by assisting beef breeders in purchasing superior registered herd sires	Beef producers with a minimum of 15 beef-type breeding females	Premium of \$200 for performance-tested bulls 15-24 mo., and up to \$500 for those over 24 mo. \$50 bonus for Station-tested bulls quality bonus of \$10-\$50 based on loin eye area per 100 lbs weight	Veterinary and Livestock Division P.E.I. D.A.F. (902) 892-5465

Policy Program/ Objective	Eligibility	Assistance	Contact
P.12 SHEEP PREMIUM			
Assist sheep producers in purchase of selected rams to improve quality of their flocks	Sheep Ranchers	Assistance up to 50% of delivered price of rams to maximum of \$100 for Class I and \$75 for Class II and III rams limited to one ram per 30 ewes	Veterinary and Livestock Division P.E.I. D.A.F. (902) 892-5465

P.13 F.F.D.P. AND N.F.P. - ASSISTANCE FOR THE PURCHASE OF SHEEP BREEDING STOCK

Assist sheep producers in establishing or improving their flocks by subsidizing the purchase of breeding stock	Bona fide P.E.I. farmers grossing at least \$4,000 from their farm operations	Offers financial assistance in form of forgivable grants based on acceptable performance and conditional upon development and implementation of a farm plan Grant to 50% of approved development expenditure to maximum individual grant of \$25,000 for N.F.P. and \$15,000 F.F.D.P. Technical support and skill development assistance are also offered in establishing an approved system of management that includes flock records	Extension Services Branch P.E.I. D.A.F. (902) 892-4101
--	---	--	--

Policy Program/ Objective	Eligibility	Assistance	Contact
P.14 EWE ASSISTANCE			
Increase numbers of sheep by assisting breeders in purchase or selection of additional ewe lambs or yearling ewes	A sheep breeder with a minimum of 15 ewes	Financial assistance of \$25 for each approved ewe lamb or yearling ewe to a maximum of 100 added to the breeding flock per year	Veterinary and Livestock Division P.E.I. D.A.F. (902) 892-5465

P.15 SHEEP KILLED BY DOGS

Compensate flock owners for loss of sheep by dogs of unknown ownership	Sheep Producers	Compensation at unit rate of \$30 for grade ewes, up to \$50 for grade lambs, \$60 and \$90 respectively for purebred registered ewes and rams and up to \$60 for purebred registered lambs	Veterinary and Livestock Division P.E.I. D.A.F. (902) 892-5465
--	-----------------	---	--

440 SWINE**P.16 SWINE R.O.P. HOME TEST, BOAR AND GILT BONUS**

Assist swine breeders in production and selection of top-quality breeding stock and commercial hog producers in purchase of better quality breeding stock	Swine breeders and commercial swine producers	Test boars - up to \$180 Bonus (shared 50/50 between breeder and purchaser) based upon A.D.G. and adjusted backfat plus carcass yield of sire Test gilts - up to \$25 bonus based upon adjusted backfat	Veterinary and Livestock Division P.E.I. D.A.F. (902) 892-5465
---	---	--	--

Policy Program/ Objective	Eligibility	Assistance	Contact
P.17 P.E.I. HOG PRICE STABILIZATION PLAN			
Stabilize hog production and returns through a stop-loss policy of guaranteed minimal returns not intended as an incentive	Hog Producers	Grants to producers enrolled in the program covering half of the difference between base and market prices when cost of production exceeds market returns Base price is adjusted quarterly	Economics Branch Hog Commodity Board (902) 892-4101
P.18 HERD HEALTH (LIVESTOCK)			
Assist and encourage livestock producers to improve health status of their herds by adopting preventive medical-care programs, and to encourage use of management consulting advice	Producer-owned and managed herds that comply with the established regulations, and recommended by authorized practicing veterinarians	The Department pays 50% of the Vet's fee for clinical inspections (excluding drugs and materials) and provides post-mortem examinations, specimen tests, herd health and production record forms, and laboratory and veterinary inspection reports	Veterinary and Livestock Division P.E.I. D.A.F. (902) 892-5465
P.19 F.F.D.P. AND N.F.P. - ASSISTANCE FOR PURCHASE OF SWINE BREEDING STOCK			
Assist producers in improving their swine breeding herds by securing good quality female breeding stock	Bona fide P.E.I. farmers grossing at least \$4,000 from their farm operations	Offers financial assistance in form of forgivable grants based on acceptable performance and conditional upon development and implementation of a farm plan	Extension Services Branch P.E.I. D.A.F. (902) 892-4101

Policy Program/ Objective	Eligibility	Assistance	Contact
------------------------------	-------------	------------	---------

Grant to 50% of approved development expenditure to maximum individual grant of \$25,000 N.F.P. and \$15,000 F.F.D.P.

Technical support and skill development assistance are also offered in establishing a managerial system that includes herd records

450 POULTRY

P.20 REGISTERED HATCHERY ASSISTANCE

Encourage registered P.E.I. hatcheries in purchasing or developing superior breeding stock

Registered P.E.I. hatcheries

Grants to a maximum of \$500 per hatchery per year, allocated on the basis of 25 to 50 cents a bird depending upon type of fowl purchased

Veterinary and Livestock Division
P.E.I. D.A.F.

(902) 892-5465

460 HORSES

P.21 F.F.D.P. AND N.F.P. - ASSISTANCE FOR THE PURCHASE OF BROOD MARES

Assist farmers in establishing or improving their brood mare bands by subsidizing purchase of good quality breeding stock (approved purebred brood mares)

Bona fide P.E.I. farmers grossing at least \$4,000 from their farm operations

Offers financial assistance in form of forgivable grants based on acceptable performance and conditional upon development and implementation of a farm plan

Veterinary and Livestock Division
P.E.I. D.A.F.

(902) 892-5465

		Grant to 50% of approved development expenditure to maximum individual grant of \$25,000 for N.F.P. and \$15,000 F.F.D.P. Technical support and skill development assistance are also offered in establishing an approved system of management	
470 SMALL ANIMALS			
P.22 F.F.D.P. AND N.F.P. - PURCHASE OF FOX BREEDING STOCK			
Assist fox ranchers in establishing or improving their operations by subsidizing the purchase of breeding stock	Bona fide P.E.I. farmers grossing at least \$4,000 from their farm operations	Offers financial assistance in form of forgivable grants based on acceptable performance and conditional upon development and implementation of a farm plan Grant to 50% of approved development expenditure to maximum individual grant of \$25,000 for N.F.P. and \$15,000 F.F.D.P. Technical support and skill development assistance are also offered in establishing an approved system of management	Extension Services Branch P.E.I. D.A.F. (902) 892-4101

Policy Program/ Objective	Eligibility	Assistance	Contact
P.23 F.F.D.P. AND N.F.P. - PURCHASE OF MINK BREEDING STOCK			
Assist mink ranchers in establishing or improving their enterprises by purchases of male and female breeding stock	Bona fide P.E.I. farmers grossing at least \$4,000 from their farm operations	Offers financial assistance in form of forgivable grants based on acceptable performance and conditional upon development and implementation of a farm plan Grant to 50% of approved development expenditure to maximum individual grant of \$25,000 for N.F.P. and \$15,000 F.F.D.P. Technical support and skill development assistance are also offered in establishing an approved system of management	Production Services Branch P.E.I. D.A.F. (902) 892-4101

POLICIES AND PROGRAMS FOR AGRICULTURE

FIELD CROPS AND HORTICULTURE

PRINCE EDWARD ISLAND DEPARTMENT OF AGRICULTURE AND FORESTRY

Policy Program/ Objective	Eligibility	Assistance	Contact
100 FIELD CROPS			
P.24 P.E.I. CROP INSURANCE AGENCY			
Insure farmers against crop losses due to weather and disease factors beyond their control and thus help to stabilize incomes	Any farmer growing an insurable crop with an upper limit set on acreage by the agency	Compensation for crop loss based upon 80% of the farmer's average yield over six years	Minister of Agriculture and Forestry (902) 892-4101

Crops covered:

tobacco, rutabaga,
pea, cauliflower,
strawberry, brussels
sprouts, broccoli,
grain, potato, cole
crops

P.25 GRAIN ELEVATOR, P.E.I. NO. 1 KENSINGTON

Stimulate local feed grain production to a point of self-sufficiency and to bring uniformity to the market	P.E.I. livestock and crop producers and feed industry	Availability of central marketing, storage and distribution facilities for use by P.E.I. grain growers and feeders	P.E.I. D.A.F. (902) 892-4104
--	---	--	---------------------------------

Policy Program/ Objective	Eligibility	Assistance	Contact
P.26 PEDIGREED SEED GRAIN			
Encourage growers to produce high quality seed and farmers to use good quality cereal and forage seed	P.E.I. farmers	Subsidization of 30% of cost of Foundation, Registered or Certified pedigreed seed to maximum of \$150/farm/year, also assistance for growing Select Seed Plots at \$150/plot and limited to two grants per year for different crops Crops covered: - wheat, oats, barley, rye, field peas, fababeans, alfalfa, birds foot trefoil, red clover, white clover, timothy, orchard grass, brome grass, reed canary grass and alsike clover	Soils and Crops Division P.E.I. D.A.F. (902) 892-5465
200 HORTICULTURE			
P.27 ASSISTANCE TO ENCOURAGE LOCAL PRODUCTION OF CERTIFIED STRAWBERRY PLANTS			
Improve and develop the strawberry industry in the province by encouraging adequate local production of quality, disease-free strawberry plants	Strawberry growers	Financial assistance to propagating and commercial nurseries at rate of \$10/M plants sold to P.E.I. Residents only, to a maximum of \$2,000 per nursery	Soils and Crops Division P.E.I. D.A.F. (902) 892-5465

Policy Program/ Objective	Eligibility	Assistance	Contact
258 POTATOES			
P.28 CULL POTATO BURIAL PROGRAM			
Reduce spread of potato diseases including Bacterial Ring Rot, Late Blight and the viruses through disposal and burial of culls, and to alleviate environmental pollution caused by decay of potatoes disposed of in open piles	All potato growers	Department provides a disinfecting service for equipment used in disposing of cull potatoes and under-writes the burial operations on approved sites	Soils and Crops Division P.E.I. D.A.F. (902) 892-5465

P.29 FIELD INSPECTION OF TABLESTOCK POTATOES

Determine incidence of disease prevalent in field potatoes and upon identifications of excess levels of infection, to help eradicate and control these diseases through such measures as purchasing certified or better class seed for the following year's crop	All tablestock growers excepting those whose crop was infected with Bacterial Ring Rot the previous year	Departmental inspection service free of charge to the grower	Plant Protection Division P.E.I. D.A.F. (902) 892-5465
--	--	--	--

**Policy Program/
Objective****Eligibility****Assistance****Contact**

P.30 POTATO DISINFECTION

Prevent, control, and eradicate Bacterial Ring Rot in P.E.I. potato production

Potato growers
(Program is mandatory for those whose crop is infected)

The Department provides a cleaning and disinfecting service at no charge for equipment used in preparing, planting, transporting, grading packaging or other handling of potatoes

Soils and Crops
Division
P.E.I. D.A.F.

REQUEST FOR INFORMATION ON POLICIES AND PROGRAMS

Note: This service is available only to decision-making heads in government departments, universities and agricultural organizations.

The information in these handbooks, about both provincial and federal programs, is available on computer and may be requested in any order or combination. It is possible, for example, to retrieve all existing programs on Dairy Herd Improvement or Farm Business Management, or to retrieve all of one province's programs concerning one area, such as soil and land development.

Please use this form to request what you need. If you know the code numbers of the programs, so much the better. Otherwise, you can ask for the programs by province plus title or subject. If you want all programs in a category, list the category number - for example, 400. For specific programs within a category, across several provinces, list the category number and the provincial program number. (The first letters, B,O,N, etc, indicate the province concerned)

Please mail this sheet to Agriculture Canada, Economics Branch, Carling Building, Ottawa K1A 0C5 -- attention G.S. Henry

			(902) 895-1571

REQUEST FOR INFORMATION ON POLICIES AND PROGRAMS

Note: This service is available only to decision-making heads in government departments, universities and agricultural organizations.

The information in these handbooks, about both provincial and federal programs, is available on computer and may be requested in any order or combination. It is possible, for example, to retrieve all existing programs on Dairy Herd Improvement or Farm Business Management, or to retrieve all of one province's programs concerning one area, such as soil and land development.

Please use this form to request what you need. If you know the code numbers of the programs, so much the better. Otherwise, you can ask for the programs by province plus title or subject. If you want all programs in a category, list the category number - for example, 400. For specific programs within a category, across several provinces, list the category number and the provincial program number. (The first letters, B,O,N, etc, indicate the province concerned)

Please mail this sheet to Agriculture Canada, Economics Branch, Carling Building, Ottawa K1A 0C5 -- attention G.S. Henry

REQUEST FOR INFORMATION ON POLICIES AND PROGRAMS

Note: This service is available only to decision-making heads in government departments, universities and agricultural organizations.

The information in these handbooks, about both provincial and federal programs, is available on computer and may be requested in any order or combination. It is possible, for example, to retrieve all existing programs on Dairy Herd Improvement or Farm Business Management, or to retrieve all of one province's programs concerning one area, such as soil and land development.

Please use this form to request what you need. If you know the code numbers of the programs, so much the better. Otherwise, you can ask for the programs by province plus title or subject. If you want all programs in a category, list the category number - for example, 400. For specific programs within a category, across several provinces, list the category number and the provincial program number. (The first letters, B,O,N, etc, indicate the province concerned)

Please mail this sheet to Agriculture Canada, Economics Branch, Carling Building, Ottawa K1A 0C5 -- attention G.S. Henry
